Respected Sir/Madam,

I hope this message finds you well.

I am writing to formally request the return of my original academic documents, which were submitted during the admission process for the Part-Time PhD program (Dec 2024 intake).

As my enrolment has now been successfully completed and verified, I kindly request the release of these documents. They are essential for various personal and professional administrative requirements, and having them readily available will help avoid delays in important matters.

I confirm that all necessary verifications have been completed, and my enrolment is finalized. I would sincerely appreciate your assistance in facilitating the return of my documents at the earliest convenience.

Thank you very much for your time and support.

Sincerely,

Abhishek Hupele
